

# Wastewater – the environment – buildings – industry

## DETECT +

The DETECT + range is the perfect fit for plumbers and piping professionals, property surveyors and inspectors, leak detection specialists, swimming pool technicians, building experts and hydrogeologists – as well as for anyone wanting to carry out their own investigations.

Note: identifiable under UV 365/395 nm torch from FluoTechnik for **YELLOW, RED, PURPLE AND WHITE**

### Applications

The DETECT+ range of tracing dyes has been specifically designed for:

- Roof / terrace / balcony / floor tightness tests
- Leak and infiltration inspections in buildings
- Wastewater, rainwater and industrial wastewater flow-rate tests
- Simulation of agricultural spreading
- Inspecting hydraulic connections between the natural environment and buildings
- Inspecting leaks on civil engineering projects: dam, dikes and water tanks
- Searching for water infiltration on floors, walls and ceilings
- Visual identification and connection tests for buried pipes
- Chemical dispersion simulation
- Leakage search on floor heating and glycol cooling systems
- Leakage search on storage tanks

PRO PACK

### Strengths

- Bright colours that are easy to spot for several hours
- Very good solubility with easy dispersion
- Easy cleaning: simply rinse
- Non-polluting, non-toxic and no danger to the environment

Product	Réf	Unit price (exc. tax)
DETECT+ YELLOW 180g	DY+180	€ 33.90
DETECT+ YELLOW 250g	DY+250	On request
DETECT+ YELLOW 1kg	DY+1000	€ 89.90
DETECT+ YELLOW 1 litre 10%	DY+1L	€ 28.70
DETECT+ YELLOW 5 litres 10%	DY+5L	€ 79.20

Product	Réf	Unit price (exc. tax)
DETECT+ RED 180g	DR+180	€ 33.90
DETECT+ RED 250g	DR+250	On request
DETECT+ RED 1kg	DR+1000	€ 89.90
DETECT+ RED 1 litre 10%	DR+1L	€ 28.70
DETECT+ RED 5 litres 10%	DR+5L	€ 79.20

DETECT+ BLUE 180g	DB+180	€ 33.90
DETECT+ BLUE 250g	DB+250	On request
DETECT+ BLUE 1kg	DB+1000	€ 89.90
DETECT+ BLUE 1 litre 10%	DB+1L	€ 28.70
DETECT+ BLUE 5 litres 10%	DB+5L	€ 79.20

DETECT+ PURPLE 180g	DP+180	€ 33.90
DETECT+ PURPLE 250g	DP+250	On request
DETECT+ PURPLE 1kg	DP+1000	€ 89.90
Pack PRO, traceurs, lampe UV, matériel dosage	PPROD+	€ 495
